3"	$7.45
6"	$23.33
10"	$39.02

Applies to all **WATER** service areas

STATEMENT OF TERMS AND CONDITIONS FOR WATER SERVICE

CONSTRUCTION / IRRIGATION
The Company shall provide water through a separate meter for service of water for heavy construction, industrial processes or for irrigation purposes. All irrigation meters shall be a 1" meter. All domestic or light commercial water service required by the customer is required to be taken through an appropriately sized service connection and meter. In the event that the Company experiences a disruption of water service, due to planned repairs or maintenance, or emergencies resulting from failure of service, water availability, local disaster, or national emergency, service to these customers will be curtailed, and only resumed after the Company is able to restore full service to its General Service (residential and commercial), Schools and Wholesale customers.

SCHOOLS / WHOLESALE
Meter charges shall not apply to wholesale customers. Schools certified by the State of Arizona shall be billed using the applicable meter charges (see Section I.A).
