U-339-W

ADVICE LETTER NO. 422-W-A

August 19, 2026

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Suburban Water Systems ("Suburban") hereby submits supplemental Advice Letter No. 422-W-A to modify the relief requested in Advice Letter 422-W filed on March 2, 2026.

Through this supplemental filing, Suburban requests that Water Division:

1. Approve the incremental annual revenue requirement of \$393,903 associated with the balance recorded in the Environmental Improvements and Compliance Issues for Acquisitions Memorandum Account ("EICIAMA"). The EICIAMA funded meter and meter installation capital expenditures incurred for the Sativa system; and
2. Authorize Suburban to submit a future Tier 1 Advice Letter to implement the corresponding rate adjustment and tariff revisions necessary to recover the approved revenue requirement.

The incremental annual revenue requirement presented in this supplemental filing is \$393,903, which is unchanged from the amount requested in Advice Letter 422-W. Suburban is requesting Water Division's review and approval of the revenue requirement only and is not seeking authority to implement new rates through this supplemental Advice Letter.

Upon Water Division's approval of the incremental annual revenue requirement, Suburban will submit a future Tier 1 Advice Letter to implement the approved revenue requirement through revised tariff schedules. The future Tier 1 filing will be based on rates then in effect and will include the tariff sheets required to recover the approved amount.

In addition, Suburban hereby withdraws all tariff sheets submitted with Advice Letter 422-W. No tariff sheets are included with this supplemental filing. Upon authorization to recover the approved incremental annual revenue requirement, Suburban will submit the appropriate revised tariff sheets in a future Tier 1 Advice Letter to implement the associated rate adjustment.

Tier Designation and Effective Date

This advice letter is submitted with a Tier 3 designation.

Upon Water Division's approval of the incremental annual revenue requirement, Suburban will submit a future Tier 1 Advice Letter.

In compliance with Water Industry Rule 4.1 of General Order 96-B, a copy of this advice letter has been mailed or electronically transmitted to all interested and affected parties as detailed in Attachment A.

Protest and Responses

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- (1) The utility did not properly serve or give notice of the advice letter;
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
- (3) The analysis, calculations, or data in the advice letter contain material error or omissions;
- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding; or
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require relitigating a prior order of the Commission.)

A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

A response or protest must be made in writing or by electronic mail and must be received by the Water Division within 20 days of the date this advice letter is filed. The address for mailing or delivering a protest is:

Tariff Unit, Water Division, 3rd floor
California Public Utilities Commission,
505 Van Ness Avenue, San Francisco, CA 94102
Water.Division@cpuc.ca.gov

On the same date any protest or response is submitted to the Water Division, the respondent or protestant must serve a copy of the protest or response to: Suburban Water Systems, Kiki Carlson, Director of Regulatory Affairs, 1325 N. Grand Ave., Suite 100, Covina, CA 91724-4044, and email to kiki.carlson@nexuswg.com

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform the Water Division, within the 20-day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

Replies: The utility shall reply to each protest and may reply to any response. Each reply must be received by the Division of Water and Audits within 5 business days after the end of the protest period, and shall be served on the same day to the person who filed the protest or response.

If you have not received a reply to your protest within 10 business days, contact Suburban Water Systems at (626) 543-2500.

This filing will not cause the withdrawal of service, nor conflict with other schedules or rules.

Sincerely,

/s/Kiki Carlson_____
