U-339-W

ADVICE LETTER NO. 415-W-A

August 19, 2026

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Suburban Water Systems (Suburban) hereby transmits for filing the following changes in its tariff schedules applicable to its service area and which are attached hereto:

CPUC Sheet No.	Title of Sheet	Canceling CPUC Sheet No.
2055-W	Schedule SJ-1 (Continued), San Jose Hills Service Area, Residential Metered Service	1838-W
2056-W	Schedule WLM-1 (Continued), Whittier/La Mirada Service Area, Residential Metered Service	1841-W
2057-W	Table of Contents	2072-W

Suburban Water Systems (Suburban) hereby submits this supplemental Advice Letter No. 415-W-A to update the balance recorded in the Water Revenue Adjustment Mechanism (WRAM) Balancing Account through June 30, 2026, and to revise the associated amortization surcharges for the San Jose Hills (SJH) and Whittier/La Mirada (WLM) service areas.

Suburban has recalculated the WRAM Balancing Account using the rates authorized in Decision (D.) 26-07-003 and the 2026 rates approved in Advice Letter 416-W-A.

Based on these updates, the balance recorded in the WRAM is an under-collection of \$545,338 for the SJH service area, and an under-collection of \$2,677 for the WLM service area. To amortize these balances, Suburban proposes a 12-month surcharge of \$0.091 per hundred cubic feet (ccf) for the SJH service area and a one-time surcharge of \$0.006 per ccf for the WLM service area.

Detailed workpapers supporting the updated WRAM balance and surcharge calculations have been provided to Water Division.

Tier Designation and Effective Date

This is a Tier 1 filing – the advice letter is a compliance advice letter. Suburban requests an effective date of September 21, 2026.

In compliance with Water Industry Rule 4.1 of General Order 96-B, a copy of this advice letter has been mailed or electronically transmitted to all interested and affected parties as detailed in Attachment A.

Protest and Responses

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- (1) The utility did not properly serve or give notice of the advice letter;
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
- (3) The analysis, calculations, or data in the advice letter contain material error or omissions;
- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding; or
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require relitigating a prior order of the Commission.)

A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

A response or protest must be made in writing or by electronic mail and must be received by the Water Division within 20 days of the date this advice letter is filed. The address for mailing or delivering a protest is:

Grand Ave., Suite 100, Covina, CA 91724-4044, and email to kiki.carlson@nexuswg.com

The informing document should include an estimate of the date the proposed protest might be voted on.

Replies: The utility shall reply to each protest and may reply to any response. Each reply must be received by the Division of Water and Audits within 5 business days after the end of the protest period, and shall be served on the same day to the person who filed the protest or response.
