Dear Valued Customer:

This letter is to inform you that the Town of Winnsboro has increased their out-of-town wastewater treatment rates, effective July 1, 2022. The Town's new monthly sewer rate for Royal Hills customers is as follows:

Monthly Base Rate/Minimum Charge	$ 31.62
Volumetric Charge *This amount is based on 4,000 gallons per month at $9.99 per thousand gallons.*	$ 39.96
Total Town of Winnsboro Charge	$ 71.58

The South Carolina Public Service Commission ("PSC") regulates the Synergy system of South Carolina Water Utilities, Inc ("SCWU"). Order No. 2018-369, approved by the PSC in Docket 2017-28-S on June 1, 2018, allows Synergy to pass-through without any markup, periodic increases for the cost of treatment services provided by governmental bodies such as the Town of Winnsboro. Under the same order, to cover all other utility costs, Synergy is authorized to charge $27.50/SFE per month when wastewater is treated by other providers.

Therefore, the total monthly wastewater rate of $99.08 will be reflected on your billing statements generated after July 1, 2023.

Please reach out to our customer care representatives via phone at (803) 699-2422, or email SCMidlandsCustomerCare@swwc.com with any questions you may have. Thank you.
